6 Interest is due as per Government Order dated 28th January 1943 on amounts due from purchasers of sites who are permitted to pay the site value in instalments The amount of interest in the present case appears to relate to the period up to the date of payment of the site value in full, and is therefore recoverable from the purchaser The proposal to waive it is not acceptable

Maharaja of Mysore, Law Department, Bangalore

Sir,

XII Adverting to Government Order No L 7325/11 12-42-11 dated 28th January 1943 stating that 6¼% interest may be levied from those to whom permission is granted to pay purchase value of sites in monthly instalments instead of allowing discount at 3 1/8% on cash payments as proposed by the Board, I have the honour to state that the procedure indicated in the Government Order is now being followed In this connection I wish to to state that the sites in the Industrial Suburbs at Mysore were allotted in December 1942 to the owners of power looms and Weaving and Dyeing -- Factories in the City and such of the purchasers as required permission - to pay the balance value in instalments were asked to execute Kutchalikes agreeing to pay 6¼% interest Though they executed the Kutchalikes, as otherwise the sites would be resumed by the Board, they pleaded for - interest-free instalments as the sites had been allotted to them prior to the Government Order in question Their request was however not granted as the sites themselves had been given to them at a concession rate They have been however protesting both orally and by application to pay interest Some of them have now offered to pay entire balances due if the interest that has accrued so far is waived In the case of one Mr B P Rangaiah, the Board resolved at its Meeting held on 28th September 1943 to waive - interest amounting to Rs 53-9-4 since he paid the full purchase value A copy of the Resolution of the Board is enclosed Approval of the Government - may kindly be obtained therefor

2 As one or two more cases of this nature have since come up and - several more are likely to arise, I recommend that in the cases of sites sold in the Industrial Suburbs, the interest may be waived in all cases where the purchasers pay up the full value of sites within one month from the date of
